Backen Gillam Kroeger Architects . Sausalito, CA
Intermediate Designer

June 2016
-- May 2017
Engaged in the art of paradise: resorts, wineries, large homes.
Assisted with Revit-based projects in various design phases.
Developed design studies for a historic restoration in NYC.
Crafted all the digital models for a beautiful Sonoma resort.

ROMA Design Group . San Francisco, CA
Intermediate Architect

Mar 2015
-- Jun 2016
Small firm with a focus on large urban public projects.
Designed major transit projects, including a downtown ferry
terminal, BART station, and ferry maintenance facility.
Created models and drawing sets with construction details.

BCV Architects . San Francisco, CA
Junior Designer

Jan 2014
-- Mar 2015
Built elaborate digital models and developed drawing sets
for more than 300,000 sq ft of new retail construction.
Worked on many craft-oriented projects, including a winery,
butcher shop, and various restaurants and marketplaces.

The Landmaking Company . Oakland, CA
Founder & Product Developer

May 2013
-- Jan 2014
Crafted a website, technical specs, and marketing materials
for a startup that sought to mass-produce roof gardens.
Patented and prototyped an innovative modular roof system.
Built a green roof on a shipping container in Oakland.

Donald Olsen, AIA & Associates . Sausalito, CA
Architectural Designer

May 2011
-- May 2013
Designed high-end residences and restaurant renovations.
Developed BIM templates and workflows using ArchiCAD.
Created technical drawings for parcels, waterfront terraces,
interior construction, landscapes, and a new community.

HKS Architects, Inc . Washington, DC
Architectural Intern

Sept 2008
-- Jan 2009
Worked on large-scale projects including the Walter Reed
Medical Center, a housing high-rise, and office buildings.
Performed construction administration at project sites.

Virginia Tech . Blacksburg, VA

Aug 2005
-- May 2010
College of Architecture and Urban Studies
NCARB-Accredited Bachelor of Architecture . GPA: 3.5

Design Tools

Autodesk Revit
Proficient, extensive experience

AutoCAD
Proficient, technical leadership

Adobe Creative Suite
Photoshop, Indesign, etc.

Graphisoft ArchiCAD
Proficient with BIM capabilities

SketchUp Pro & Layout
Better than most thought possible

Microsoft Office
Great working knowledge

Hand rendering and modeling
Highly proficient

Rapid Prototyping
*Skilled with woodworking, metal-
work, plastic forming, lasercutters*

Other Interests

World Travel
16 Months, 52 Countries & 110 Cities

Endurance Cycling
Biked 5,000 miles across America

Leadership & Entrepreneurship
Systems thinking, problem solving

Maps & Geography
Understanding social patterns

Urban Design & Development
City modeling, complex constraints
